

FIND A **SWIM SPA MODEL** THAT WORKS BEST FOR YOU

RIVERSWIM™ TECHNOLOGY OPTIONS

This water propulsion system employs a state-of-the-art RiverSwim™ turbine to produce an incredibly powerful current, known as Laminar flow. Designed to simulate open-water conditions, athletes would be hard-pressed to find a more ideal training environment.

ULTRA

Our Ultra model is a high-level Swim Spa with a RiverSwim™ turbine producing a robust laminar flow, perfect for budding athletes to swim or exercise against.

HERCULES

Experience an open-water swim from the comfort of your backyard. Hercules' RiverSwim™ technology offers an unparalleled current to keep you in place while you train. Once finished, get comfortable in one of your three hydrotherapy seats to start your recovery regime.
